X-Guard[®]

The affordable burglar guard

Nylon endcap

Nylon joiner (used for wide windows)

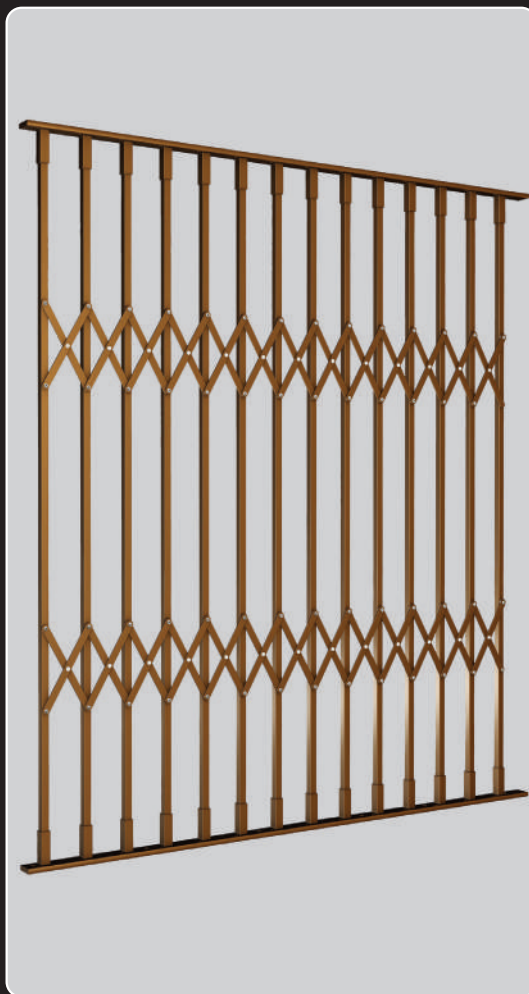

High tensile pop rivet

16mm steel vertical bars

Constructed from steel verticals with solid steel flight interlockers

Nylon skirt

Nail plug fastener

Anti-shear security pins

- ✓ An affordable burglar guard that compliments the X-Door
- ✓ Available in a modular form for easy on-site installation
- ✓ Ideal for all windows up to 2m high
- ✓ Available in 2 standard colours with other colours available on request
- ✓ Hot dip galvanising available on request
- ✓ Unlike the X-Door, this is a non-sliding security barrier
- ✓ Tested & meets stringent SABS ISO 9001:2008 standards
